

Events:

- **Paper & Poster Presentation**

(Abstracts of One full page maximum with (Times new roman: 12, 1.5 spacing) are invited for oral and poster presentation. The abstracts will be screened and chosen based on quality of work for Oral presentation (limited in Number). Others will be allowed to present their work as posters.

The notification regarding the nature of the presentation (oral/poster) will be communicated well in advance. The size of the poster should be 90 x 90 cm. It should comprise title, name & affiliation of authors, introduction, materials & methods, results & conclusion.)

- **Technical Quiz**
- **Non-technical Competitions**

The abstracts should be forwarded to :
conference@dypiu.ac.in

Registration fee:

- UG/PG students individual - Rs 1500/-
(For bulk registration of 5 or more from same institute) - Rs 1000/-
- Faculty/ Research scholars - Rs 2000/-
- Industry personnel - Rs 5000/-

After registration the payment link will be provided to the selected participants

presents

National conference on **CURRENT TRENDS IN FOOD AND BIOPROCESSING SECTOR**

Important dates

Registration:	Feb 9, 2024
Abstract submission:	Feb 9, 2024
Intimation of Acceptance:	Feb 13, 2024
National conference:	Feb 23 & 24, 2024

Patron:

Prof. Prabhat Ranjan
Vice Chancellor
D.Y. Patil International University, Akurdi, Pune

Convener:

Dr. Babuskin Srinivasan
Associate Professor
School of Biosciences & Bioengineering
D.Y. Patil International University, Akurdi, Pune

Co-convenor:

Prof. Shashi Singh
Director
School of Biosciences & Bioengineering
D.Y. Patil International University, Akurdi, Pune

Organizers:

Dr. Surabhi Sonam	Dr. Sumit Kumar
Dr. Prafull Chavan	Dr. Siddharth Gavhale
Dr. Lubna Shaik	

Accommodation:

- Ms. Mayura Khanore (94209 04067)

Contact details:

- Staff Coordinators:
Dr. Sonal Mahajan (sonal.mahajan@dypiu.ac.in)
Ms. Poonam Kamthe (poonam.kamthe@dypiu.ac.in)
- Student Coordinators:
Ms. Anwayee Tamane (7058782483)
Ms. R K Hemadurga (7888139106)
Mr. Pranjal Waghmare (9607115375)
Ms. Sanjana Chavan (9325727858)
Ms. Moyuri Yein (9594108657)
Ms. Shruti Tonde (9673047999)
Ms. Vishnupriya Bahera (9142607477)

About the University:

DYPIU is a state private university and has been rolled out with a fundamental mission of covering a remarkable milestone in the history of higher education in India with many accolades. A part of 37 years old organization, it envisions to become a private university of global repute by developing socially relevant and contemporary outcome-based programs, carrying out inter and intradisciplinary research in thrust areas, enhancing the scope of collaborations for research, and boosting faculty and student exchange programs worldwide. Also, by its acute focus on empowerment through education and academic excellence and future-proof academic programs, it aspires to provide an inspirational and experiential learning environment for its stakeholders. DYPIU is also keenly responsive towards serving the prerequisites of the industry and society by embedding internationalization, employability, and value ruminating in all its programs. Prof. Prabhat Ranjan is the founder Vice Chancellor of the University and guiding it with a futuristic vision.

About the School of Bioscience & Bioengineering:

The University promotes flexibility in learning. DYPIU has taken a futuristic approach and launched innovative and trend setting programs with multiple track options. In accord, the BTech Bioengineering program has been established in the year 2020. In the four year program of Bioengineering, the choice of track is made at the end of 2nd year. The foundation courses are taught for 2 and ½ years followed by multi-track specialisation in four emerging technologies such as Biomedical Engineering, Cell & Tissue Engineering, Food Biotechnology, Biochemical Engineering. The school also offers M.Sc. Medical Biotechnology; integrated M. Tech and PhD programs.

About the conference

The global population is expected to reach 10 billion by 2050 as per WHO & UN organizations. It is the need of the hour to meet the demand of the growing population with a lesser ecological footprint. India has witnessed a rapid growth in the food processing sector and biopharmaceutical in the last five years and it is expected to grow bigger. In this regard, this conference will act as a platform in bringing academicians, industrialists and researchers together to discuss the progressions in the food and bioprocessing sector.

List of invited speakers

Food Technology sessions 23/02/24

- Dr. Malathy Venkatesan
Chief Scientist
Tata Chemicals Ltd Innovation centre, Pune, Maharashtra, India
- Prof. Smita Lele
Former Emeritus Professor, Institute of Chemical Technology, Mumbai and Former Director, ICT Marathwada Campus.
- Mrs. Bhagyashri Chavan
Founder & Director at Food Monk Consultants LLP Pune
Hon. Director Food Technologies at Englobal Chambers of Commerce and Industries, Pune, Maharashtra, India
- Dr. Radhakrishnan Kesavan
Assistant Professor
Department of Food Engineering & Technology
CIT, Assam
- Mrs. Sruthi Sadanand
Chief product strategist, Founder
Altruistic Innovations Pte. Ltd.
- Dr. Parag Prakash Sutar
Head, Department of Food Process Engineering, NIT Rourkela, Odisha, India

Biochemical Engineering sessions 24/02/24

- Dr. P. A. Balakumaran
Scientist
Chemical Sciences and Technology Division,
CSIR-National Institute for Interdisciplinary Science and Technology (CSIR-NIIST),
Thiruvananthapuram, Kerala, India.
- Dr Chiranjit Chowdhury
Senior Scientist & Assistant Professor AcSIR
Division of Biochemical Sciences,
CSIR-National Chemical Laboratory,
Pune, Maharashtra, India
- Dr Rahul Bhambure
Senior Scientist
CSIR-National Chemical Laboratory,
Pune, Maharashtra, India
- Dr. Anbarasu Karthikaichamy
Associate Director of R&D at Zero Cow Factory
Surat, Gujarat, India
- Dr. Jyoti Sagar Gokhale
Assistant Professor
Department of Food Engineering and
Technology ICT, Mumbai, Maharashtra, India
